

MOBILE BIOMETRIC CLINIC

The Mobile Biometric Clinic (MBC) service is a versatile and optional service which allows applicants who are resident in Maldives to submit their Germany visa application and biometric data using a mobile facility outside the current network of 2 Germany visa application centers in Sri Lanka.

The MBC service uses the Germany Embassy approved mobile biometric equipment to capture biometric data and scanned photograph. This service is delivered by the trusted partner of Germany Embassy in Sri Lanka, VFS Global.

Frequently Asked Questions (FAQ)

1. How do I apply?

The clinic service is by prior appointment only. The Schedule an appointment page on <https://visa.vfsglobal.com/lka/en/deu/> contains more information about how to make your appointment to use the MBC in Malé. You will be provided with the full address and appointment time of the MBC when you receive your appointment confirmation email.

If you are part of a family or group, each member of the family or group must make an individual appointment. For example, if you are a family of 4 with 2 adults and 2 children you need to make 4 individual appointments.

2. Where can I find the visa application form?

It is strongly recommended that instead of submitting paper visa application form, applicants can fill the user-friendly form online at <https://videx.diplo.de/videx/>.

Steps:

- 1) You will be prompted to choose a language version for the online visa application.
- 2) You will receive information about where to apply for your visa. Please read this information about the competent German missions carefully.
- 3) You can choose the icon for "new application" or upload personal data saved on your computer earlier into a blank form. Please fill in the application form completely and thoroughly.
- 4) When you have finished to fill the form, click "save and print" directly from the form (do not use your browser application's print option').
- 5) Now you will find different options for processing the application. By clicking the pdf-icon, the application form will be checked for consistency and missing mandatory information. As long as information is missing or not correctly entered, you will be prompted and returned to the form. Once the application form is duly filled in, the file may be opened or saved (recommended) on your computer.

Very important: When the print menu opens, please chose "advanced" and then enable the field "print as picture" in Acrobat Reader's Advanced Print Setup tab. This will ensure that a correctly sized and readable barcode will be generated for further processing your application by the German Embassy. You will have to present the printed application form with barcode together with all supporting documents when you appear at the clinic.

Manual visa application forms can be downloaded from <https://visa.vfsglobal.com/one-pager/germany/srilanka/english/pdf/business-form.pdf>. Germany Embassy in Colombo only accepts visa application forms

filled in German or English language. No other language versions and no manually corrected forms are acceptable.

For assistance, please call +94112350630 between 08:00 to 14:00 (Monday to Friday, except declared holidays; Sri Lanka Standard Time (SLST)) and speak to the operator.

3. What will happen when I attend my appointment?

- ✓ you should arrive 15 minutes before your appointment (if you are late you will need to reschedule your appointment);
- ✓ provide your biometric data;
- ✓ deposit your passport, application form & supporting documents in a drop box ready for collection by a courier;
- ✓ the application will then be sent to Embassy of Germany in Colombo for processing.

4. What should I bring with me?

When you attend your appointment, you should bring:

- ✓ your fully completed and signed visa application form;
- ✓ your photograph (as per published specifications);
- ✓ current valid passport or refugee travel document with at least 6 months validity. Old passport(s) if available;
- ✓ all supporting documents* and supplementary form/questionnaire (if any);
- ✓ appointment confirmation letter printout for the mobile clinic.

Your passport must contain at least 1 blank page back to back so that the visa can be inserted.

* It is recommended that you submit original documents. Photocopies will be accepted. If you submit original documents, please retain a copy. Additional documents may not be submitted at a later date. Please refer to <https://visa.vfsglobal.com/lka/en/deu> for complete information.

5. How will my passport be returned?

Authorized personnel from Maldives High Commission, Sri Lanka will collect the processed passports released by the Germany embassy and make arrangements to send them to Malè. At the time of your clinic appointment, please submit an original letter authorizing Maldives High Commission, Sri Lanka to collect the passport on your behalf to the clinic staff. Individual letters are required from each applicant. Parents can authorize on behalf of minors.

6. What should I do in case I cannot attend the MBC on the appointed date?

If you need to cancel your appointment and apply for a refund, you are required to provide 48 hours' notice before your appointment date. Please call +94112350630 between 08:00 to 14:00 (Monday to Friday, except declared holidays; Sri Lanka Standard Time (SLST)) and speak to the operator. Please have your appointment reference number and passport details handy with you when you call.
